## SDHC High-Speed Card

Industry leaders Lexar and Kodak have joined forces to deliver a comprehensive selection of memory cards in various formats, speeds, and capacities. These cards deliver the brand quality that Kodak customers have come to expect, teamed with the advanced performance of Lexar memory card technology.

Secure Digital High Capacity (SDHC) memory cards are designed for use with SDHC-enabled devices, including digital cameras, MP3 players, and more. The KODAK SDHC High-Speed Card offers high-speed, high-capacity storage, ideal for capturing HD video and shooting fast-action photos with an SDHC-enabled device. The KODAK SDHC High-Speed Card is available in 4GB, 8GB, 16GB, and 32GB capacities.

### High-Capacity Speed and Performance

**High-Capacity Performance.** The KODAK SDHC High-Speed Card allows you to capture HD video or take a huge number of photos in quick succession with an SDHC-enabled digital device, and gives you the extra storage capacity to capture that perfect moment.

**Video Versatility.** The KODAK SDHC High-Speed Card is designed for a range of popular uses, and is engineered for HD video, while also allowing for faster picture capture. It is ideal for use with your digital camcorder or SDHC-enabled digital camera 4 megapixels and higher.

**HD Video Sharing.** With the high-capacity 32GB KODAK SDHC High-Speed Card, you can experience your memories in a whole new way. Relive your Kodak moments by showing and sharing your stunning, high-resolution photos and HD videos through your TV's set-top box, your KODAK Theatre HD Player, or other multimedia player.

**The Best of Both Worlds.** Enjoy the combined benefits that KODAK brand quality and Lexar technology deliver. And you can keep it Kodak by adding the KODAK SDHC High-Speed Card to your existing line-up of other trusted KODAK products, while enjoying the advanced, innovative memory card technology provided by Lexar. Whether you're rapidly shooting a multitude of photos, capturing HD video, or watching them with friends on your KODAK Theatre HD Player, the KODAK SDHC High-Speed Card is an ideal choice for capturing and storing your most treasured memories.
